“ *Marcia, I'm so saddened to hear about the passing of your amazing Mom. I have so many fond memories of her back in her banking days (working with my mom) and a few HHI beach trips that I was so fortunate enough to tag along on. She lived life to the fullest. My prayers go out to you and your family. She will be greatly missed!*

“ *Jimmy, Marcia and Anthony, I am sorry for your loss. Pickens has been one of my favorite people for many many years. When I started working as new accounts at North Augusta banking company, Pickens was like my work mother. She was so easy for me to work with and to talk to and we became very good friends. I can see her now just conversing with Harry Howard, Steve Posey and many other North Augusta business people. She knew her business and she knew how to be a friend. I will miss seeing her around and conversing with her but I know that she is in God's hands and will be in no more pain. I pray for God's comfort, peace, and strength for each one of you and the other family members during this time. Please know that if I can do anything all you have to do is let me know.*
