“*Bernice, Pat & Brenda, although it has been nearly a lifetime since I have seen you three beautiful girls, I just wanted to let you know how sorry I am for the loss of your sweet Father. He was such a great Dad; and I remember how much he loved you; and was so proud of you three. I have such fond memories of you from our childhood; and have thought of you often over the years. I remember visiting you often when you lived on Fenwick Street. May God bless and comfort you in the days to come with warm and loving memories of your wonderful Father. Remember that “to be absent from the body is to be present with the Lord.”*

*Prayers for peace and comfort,  
Sincerely,  
Nancy Harrison-Watson

*We lost someone we love dearly and he will be missed. He and my mother together raised 6 girls. To each girl he was a father, teacher, advocate, mentor and friend. From him we learned many things, a few of those were to be kind, patient, to be a loving parent and spouse, and a faithful friend. He realized every person he met was important and worthy of being called "friend". His was a life well-lived and his example of loving life, caring for others, service, strength, and especially his commitment to Jesus Christ is the legacy he leaves behind. I admire him for the way he lived his life. He had strong convictions to the word of God, basic principles that he would not give up for any reason. He didn't live by preference, he lived by conviction to his principles that were based on God's word. Many of his hours were spent reading and studying the Word. He lived to be 91 years old, but to us, that was way too soon to go. We will forever love and miss him but we know he will be there waiting for us one day when we will see him again! But for now, our hearts are broken.*
