“ I didn't get to know Rachel that well, but a few years ago I got to hang out with her some and will always remember her being a fun, sweet, cool girl who was completely comfortable with herself. She was one of a kind for sure who you couldn't help but love being around. Her family and friends are in my thoughts

“ I am greatly thankful to have know Rachel and to have been led in worship by her leading and to also have had the privilege to have been on the worship team with her. Her spirit was just bounding with enthusiasm and it seemed that no matter what it was she put her whole heart into it. When she opened her mouth to sing, no matter what the surroundings were it was just amazing! My prayers are with her family and her friends! She is greatly loved and missed!

“ *I know Rachel is above signing her heart out! She means so much to so many and she has made a difference in so many lives in her short time here with us. I will always remember our work times, our fun times, our good times and our bad times, our creative times and our faithful times. I know there will be many more times for Rachel and I when we reunite in his fatherly heaven. For all of Rachel's family and friends I pray for strength and understanding. To be absent from the body, is to be present with The Lord. R.I.P*
