“ *It is truly disheartening to know that we have lost a precious soul. My thoughts and prayers are with the family. Rachel was a Strom Thurmond Cheerleader 2012-2013 until she transferred to Fox Creek. She was a respectable young lady and a joy to have on the squad. I am truly going to miss her.*

I ask the community to continue to pray for the family and all the youth around the world. They need our prayers.

“ Rachel Gaudet I first meet you in Germany and you were just a little girl. You were such a loving and happy girl and was always outgoing. I remember when you played with my youngest daughter and my oldest daughter Amanda babysit you and your siblings. I was in such shock when I signed into FB and seen the post from your mom. I heart just dropped for you and your family. I just can't believe that their are such immature kids in our world that thinks bullying is okay. May you rest in peace sweet girl and may you look down and give your mom all the support she needs to go on. It's hard to loose a child and it's hard everyday to go on and on. Kellie I am so sorry for your lost and this is a bad way to loose a loved one. Your in my heart and prayers as you try to go through your lost and pain. I am just a phone call away if you need to talk hun. Wish I was closer to be there for you. RIP RACHEL GAUDET.

Such a beautiful young girl, its sad that people bully others to make themselves feel better, it really hurts and ultimately leads to devastation and tragedies such as this! We have to stand up and stop this, I barely know Rachel, but I have stood up for her quite a few times because people were bashing, and its ridiculous! Before you try to bash on or bully someone please go get counseling to help yourself, instead of hurting yourself more and also someone else, everyone is fighting their own battles even if you don't see them! Sorry this is so long, but this baby girl did not deserve this and neither did her family and friends! I'm so tired of hearing about bullying and its hitting closer and closer to home!

Jessica Cleveland - April 10, 2013 at 09:41 PM

“ She was such an amazing person.. She was beautiful.. Outgoing.. Funny! She truly was the sparkle to my eyes.. I don't understand how someone could bully someone else.. I never got the chance to tell her about my huge crush on her.. But I'm so glad she was one of my closest friends.. RIP Rachel. fly high babe.

“ To Clayton: I love you man. My heart aches for you right now because you know I've lost my brother & now you've lost your sister. You never truly "get over" something like this, that's a fact. & it will take a long time for you to get to point where I'm at in my life with my Ryan. It will hurt your heart so bad & you'll feel like you'll never wanna eat again. But there IS a light at the end of this tunnel & you WILL get through this! When you start missin her, talk about her! Tell people stories about good times with her that make you laugh! Laughter truly is the best medicine & the best way to cope with a death is to remember everything good that happened with her, never think about how she left this world. Call me Clayton whenever you need me. I love you with everything in me & I want you to get through this. I will come visit you in the next few days & see how you're doin. This also goes for the Gaudet family, let me know if there's anything I can do to help.
