It's a completely different feeling losing your parents and losing a sibling. I'm not sure why because we love them all, but there is a difference. Prayers of comfort, peace, strength and love for you all. Ralph was always super nice to me in school and kinda looked out for me to make sure nobody bothered me. He was my friend and protector in school and I'm never going to forget him! Thank you for your service 🇺🇸 Sir, R.I.P. 🙏
