“ *Randy, You popped into my mind today. I decided to look you up. It sadden me to find out that you have passed. You were and always will be my dear friend, brother in Christ, and Kali brother. I am very proud to be authorized by you as a black belt in Arnis and cherish the title. My heart is heavy and I wished I knew earlier so that I could have come to pay my respects. I will see you again on the other side of this life. Praise Jesus.*

“ *Just found out about this recently and had to say a few things remembering Randy;
Randy was my "sea daddy" and good friend. I lived with him and Deb in Virginia for awhile and even rode to Missouri in the back of their truck! We had some great fun while onboard the "Henry L. Hog body"! He took me to get my first tatoo and Greek fisherman's cap:) I know you all miss him deeply and he has left us much too soon, My condolences to the Capps and Simpson family and I pray you all are comforted by the memories you able to share while you had him.*
