“ *This Tribute Wall - with so many pictures of Ray, Georganne and their 6 children, and then with grandchildren and great grand children - is a wonderful portrait of a man who loved God, his family and his country. I am blessed by having been his good friend.*

“ *Ray always greeted me with a warm smile and a story; he loved to talk about his hunting at the cabin, and the past few years, his enjoyment of just being in God's beautiful woods.*

“ *Sonny-
Such good memories growing up with granny, cacky and other cousins, fishing, playing in the woods, spending time at the cabin. Thanksgivings were especially memorable with all of us together and such good food to share.*

*You will be missed.
