“ *Donna & Linda Kaye,
I am so sorry for your loss. Your Dad and Mom were such wonderful friends to Daddy, Mama, Peggy and I. It was always such an inspiration to hear the story of Dad and Uncle Ray's War experiences and how their friendship was a product of WWII. I know they are sharing stories with each other in heaven right now. Our prayers and love are with you all at this time.

“ Donna & Linda Kaye, What a shock when my mom called & read the note telling her of "Uncle Ray's" death....4 years to the day after my own father's . The love & respect those 2 had for each other and such memories of WWII were always special to observe. Even when your dad presented Mama with the veteran's flag at Daddy's service, it was an act of love...a memory I will personally cherish forever. I will always be grateful that they carried their friendship into our family lives with visits & vacations. I have sweet memories of "Uncle Ray & Aunt Jerry".....and the two of you...Love & Prayers, Peggy##imported-begin##Peggy Childree Herbert, Fort Valley, GA##imported-end##

I was saddened to hear of the loss of your Dad and our prayers and thoughts are with you during this time. My memories of your Dad are centered on his humor, patience and dedication to his family and church.

His patience even transcended to the golf course, as he allowed a couple of loud teenage boys to shoot several rounds with him at the beloved Jim & Lillie International Golf Club.
