“ *I was so saddened by the news of Becky's sudden and very unexpected passing, so I send thoughts and prayers to all of her family. Becky was one of the sweetest people I've ever known. My only grandchild is one of her grandchildren, Madison Mariano,. Becky and I shared the endearment bestowed upon us by Maddie and we're both known as "Mimi", "other Mimi if she was in the presence of one of us and speaking of the other. Becky was a force to be reckoned with in the most awesome way! She loved people and her family. She was a very caring and giving person. What the world has lost, Heaven has gained in the form of God's new angel. God speed Becky! May your transition be smooth and may your new life on the other side be glorious! I know you will continue to watch over all your babies. It was an honor knowing you in this lifetime. I'll see you again one day.*

Big Mama..... Day one of meeting her was my first week at my new job at Vogtle some 10 yrs ago. That was a day I will never forget. After she had been observing me for while, she walked up to me and said, " come here boy, you need somebody to rein you in don't ya, your kinda high strung" as she proceeded to put me in a head lock and then said, ' I gotcha boy, I gotcha" ... From that point on, she never stopped checking on me from time to time. You will be greatly missed by me and many more. May the Lord bless the family now and forever and know that Big Mama was loved by many.
