We are deeply saddened by the news of Reesa's passing. Ours thoughts and prayers go to all of her family. I will miss our annual letter and Christmas card exchange. “ *Growing up with adjoining backyards was a treat with the Raye girls! My brothers and I always had some playmates and partners in "crime". Reesa was a fireball and so much fun. My memories of her are all sunshine and fun. Yes, she was kind and loving to all around her and a beautiful girl. Even though I have not seen her in over 40 years, I smiled when I saw her lovely picture. Love to all of you sisters. I pray God will grant you peace in the days ahead. Alexia Corder Clamp (Lexie)*

“ I am so sorry to hear about Reesa!!! My prayers go out to Andy and all of the family. Reesa was a big part of our lives when we first moved to North Augusta, and Spring Hill Court. She was my neighbor who cared about cats, and the squirrels!!! I will never forget that Reesa had a squirrel that she had almost tamed. He came when she called him, and she fed him treats. A wonderful woman, who I will always regret not getting a chance to say goodbye to. I know Reesa is in a place that is pain free and where she can express the joy that I always saw in this woman's soul. I look forward to meeting her again someday.
