“ *The first 10 years of my life are full of the best memories of Gina, Bobby, and my parents playing cards, smoking and drinking beer. While me, Derek, Brian and my brother just had fun. After my best friend, Derek, passed, things got rough for the Forts. I saw Brian a couple of times as a teenager and worked with Gina for a short while when 19. That was great cause she had Crystal by then and the Forts were doing better. Last time I saw Gina, Bobby, Brian and Chrystal was when Pops and I popped in on them around 1998. Of course by then, they had moved from N.C. Great visit. Sorry our families drifted apart. Just thinking about all the laughs at from the kitchen table while Brian and David played with Legos and me and Derek acted like super heroes. Or the fun Bobby and Gina created leading our cub scouts troop. I really miss those days. Thanks for all the great memories! I will always remember you as a positive role model for my younger self. Love you for that!*

*Hi Bobby,
This is Tam.... Regina was my best childhood friend. When I look back on my childhood Regina was always there....we played Barbies, rode horses and bikes together. She was like a sister to me. It's so sad that we lost such a sweet spirit. We lost touch over the years but she was always in my heart ❤️*

“ Praying for Bob and family — Gina was one of the hardest working and most generous people I know. God and family — that sums up Gina’s priorities from all the years I’ve known her. She will be missed by many.

“ Not everyone can say this but I can say this with no hesitation, Regina was one of my best friends when working together in Winston Salem and while we worked really hard we laughed even harder. Regina was a treasure!
