“ Renee was one of my closest friends for almost 40 years. She was a strong, independent and smart woman who had a heart of gold. She would give the shirt off her back to help someone. She supported me through some tough times. She was patient and caring who always listened and never complained. Besides being my dear friend, she was a colleague of mine, who worked diligently always doing the right thing. I will miss her dearly and forever. RIP my dearest friend.
