“ I am so sorry to hear about Renee's passing. She worked for me for several years doing transcription, up until the time she found out about her illness. She was also my friend. Renee and I talked often about our faith so it brings me great comfort to know she is with Jesus. I will be praying for peace and comfort for you all during this time. May God wrap his arms around you and hold you close to him. Renee was one of a kind and I will miss her so much.

“ *Renée was smart, generous, caring, and compassionate. She attended to detail and learned something new every day. Empathetic towards those less fortunate, she showed that she cared in a myriad of ways. She adored her family: you, Jim, and David and Dana, and especially her grandson, Watson! Watson was the apple of her eye. She was proud of all four of you!*
