“ *My heart breaks for your family and friends Ghost. You were undeniably special and have touched the lives of many. I will never forget our backyard barbecues and all of the great times and laughs we had. You will live on in my heart and in the hearts of many. Rest easy my friend. You are loved and missed. None of our lives will be the same without you.*

“ Ghost has known me all my life my dad and him were best friends.. I saw him as my uncle.. as much as he annoyed me when he came over..or when he stayed at our house when my parents were gone just to yell at my brother and me to do the dishes... He would take me to Starbucks and order me a pumpkin spice latte...he was like my uncle ....he was my uncle...when he came over to use our internet to download movies I'd be so made...now I wouldn't even mind if he did.. I love him so much he made me a strong woman.. Taught me that money doesn't grow on tree and to work hard for for it. I miss you ghostest with the mostest. You will always be in my heart and you'll always be with me no matter what. I'll drink our Starbucks special just for you.... Wish you were here and I could have one of your hugs... One of those really really warm hugs that make everything better. Immediately miss you Ghost.

“ Ghost has been Turtles "brother" for as long as I can remember and our children's uncle. Turtle and Ghost fought like brothers and made up like brothers. When they were both on the same gig I had a sense of peace knowing Ghost would keep Turtle safe and have his back. Ghost was a big part of our family. Our children loved him to the moon and back, especially our youngest, Savannah. We were blessed to have many adventures with Ghost; six flags on several occasions, kayaking, trips to the zoo, movies, dinners, and a drivers ed lesson for our oldest, just to name a few. Ghost had a heart of gold and a contagious smile. He didn't sweat the small stuff. Ghost enjoyed life to the fullest. He lived for adventure and was always willing to drag his friends and family along with him. Ghost will be deeply missed by the Turtle family. A void that won't ever be filled. We love you buddy enjoy the rivers in hevean. Until we meet again.

“ I am very sorry for your loss . Losing a loved one in death is such a difficult thing to experience . Please be comforted by the promises in the Bible . Jesus tells us at John 5 : 28 , 29 that all those in the memorial tombs will hear his voice and come out . What a loving provision put in place by the God of all comfort so we can have the assured hope of seeing our dead loved ones live again one day . Meanwhile as I pray for that day to come I ask Jehovah God to bless your family and give each of you the strength to endure this most trying time .

“ I am Ghost sister by far this is the hardest thing I ever had to face and I faced a lot. He was my brother, my best friend and most of all I looked up to him he was my only sibling now a piece of me is gone with him. My brother had a heart of gold would give you the shirt off his back. My kids lost there one hell of a uncle. I really want to pay so much respect to all who are showing there support for Ghost. Most of all the man who was with my brother at his last breathe please know I am forever grateful to you he left this world and he was not alone I can't thank you enough for being there with my brother. One positive thing is my brother died doing what he loved and I couldn't ask for a better way for him to go.. Ghost you will forever be loved by many and I know your watching over all of us.. Love you always your sister!

“ There's so many stories that I could share with everyone about ghost one of my favorites were when we were at Bonnaroo my husband I will walk into the fields away from the toilets and there was Ghost by the showers looking into the mirror and trying to shave his head he hollered out my name and I walked over he was like hey I need your help I'm like was what ghost I said I can't see the back of my head it when I looked at the back of his head there was this patch it was so funny he had little hairs here and there all over the place it made me laugh so hard and then you gave me the bitter beer face my sides hurt from laughing so hard and of course I helped him out got his head shaved up, I said there you go you look like my ghost again and then the next year he came back with a full head of hair and everyone was like is that ghost he has hair?? Well my brother have fun navigating the rivers of heaven we will meet again at the Gates of Heaven

“ Ghost was one my best friends and my wife's best friend. He was one of the reasons I made it as far as I have in the concert industry. With out him I would get very upset a lot of the times and he was the one that would cool me down and prevent me from losing my cool. I've had countless adventures and countless gigs and road trips with him that I will remember your the rest of my life. He was a uncle to my kids. I still remember it was after years of knowing him that my son finally found out what his real name was. When I was ready to finally tie the knot I asked him to be my best man. Why would I not ask the few men in this world that I trusted my life with as well as my kids and everything in this world that I owned and cared for. He was a truly great man and a man that I will always and forever hold close and dear to my heart.

*I will miss you dear son. You would call and wake me up to tell me about your latest adventure. Sometimes I would pretend to be mad but I always knew you were safe. You are now in God's hands and I know you are safe and having fun. I know that you will be watching over me and all of your special friends .I love you Ricky my baby mom*

*Ghost was a very sweet man on this earth, and I am sure he will continue to be that way in the clouds of heaven. He was a member of Columbia, SC IATSE Local 347 for a short period. When he came to our meetings that was the impression he gave me. He spoke of a special closeness to his mom and aunt. I can see he was very close to his sister. Please take to heart that that closeness will never change. God Bless the Arceneaux Family.*
