“ Rick and Betsy always brightened up my Saturdays at the Whistle Stop Cafe! They were faithful customers that felt like family. Rick was always smiling, offered up lighthearted conversation, and the occasional welcomed advice. After closing the cafe we lost touch. I am saddened by this news, but grateful for the opportunity to have met such a wonderful and kind man. My heart goes out Betsy and his children. Rest In Peace Rick, and thanks for the memories.

“ Rick Keller was a true friend and man of God. I have taken my vehicles to him for years for service and I have never met a more sincere mechanic/business man that would always have our backs if we had car troubles. I always looked forward to talking with him at Church and he always made sure I was satisfied with my car service. He had a heart of gold and he will certainly be missed. Rick Keller, no one can replace your kindness and your heart for people.
