“ I'm so very sorry to hear of Richard's passing. Although we haven't seen each other much lately, we have been friends since the cradle roll at Evans Baptist. He was an usher at my wedding many years ago. He, Libby and I were always close as teenagers. Due to some health issues I am unable to be with you but please know y'all are in my thoughts and prayers

“ Richard Littleton

*Christian Man, Loving Husband, Loving Father, Devoted Friend*

*I knew Richard through tennis and I am very thankful our paths crossed in this life. Richard was a good friend. I always thought of him as a “gentle bear”. I asked Richard one day, do you know how intimidating you are at the net? He said no, I am not intimidating. I told him, in your mind, you are not but in size, you are especially to the players on the other side of the net. Richard loved to play in the Senior State tournaments. He told me he had two families. One was his biological family and the other was his Tennis Family. Anytime we were enjoying a good meal at a restaurant, whether it was just Richard, John Longo and myself, or if our wives joined, or if it was the group of his “Tennis family”, Richard would always bless our food. Even though Richard knew he would be saying the blessing, Richard always waited on me to ask him, “Richard, will you bless our food”. What a true Christian blessing it would be with his words pouring right out from his heart and soul. Richard touched many hearts; he will always be in our hearts. Richard was a special person; I have great memories of him. Everyone will miss Richard’s touch.*

*Richard was always happiest when Andrea was by his side, and by his side, she has been, through sickness and in health, and through this horrible disease called cancer.*

*I pray for Andrea and Richard’s family and friends who are grieving. Help give them strength, love, joy and peace that surely Richard’s time here on Earth has left behind for them. May they sense your presence.*

*In Jesus’, name Amen.*
