“ First Sergeant Rick McDonald was as good a First Sergeant as I have even known - a key reason why A Troop was awarded the coveted Draper Award in Fulda, Germany. He was always steady and reliable and a true leader of men.

You are missed so much. This doesn't seem real. I know that your witness was short lived and I feel like there was so much more that you could have done on earth in bringing people to Christ but God knows best. We have to trust his timing because it is perfect. We love you Rick and just know that you and that jolly smile of yours will truly be missed. I truly know that you are in the presence of Jesus Christ as I write this. WOW! No worries for Tina and the rest of the family. They will be well taken care of. I can assure you of that.
