“ *Richard Piazza was one of the kindest, most generous, and considerate people who I have ever known. He loved his family and his country and he worked hard to be supportive of them. Richard was quiet with his words, but spoke loudly with his actions. Richard is with my husband, his brother Joe now. Much Love to the Piazza family.*

“ *Richard was a quiet man, amazing husband, father and grandpa. He was always willing to help when there were things I couldn't do myself, like put my treadmill together, fix my car, fix my office chair, rebuild my foot rest...I could go on and on. The world lost a good man. I'll miss my best friend's kind husband.*
