“ Sandy I'm so sorry for learning of your and the family's loss of Rick. He was such a kind and friendly person to know. During the time we were around him he showed how much he truly loved his children and how much family life and the Lord meant to him. You were all blessed to such a wonderful man in your lives. I'm sorry we've loss touch since our days at the football games in the 90's when the boys were in school together. God will keep you in his tender loving care during this time of sorrow and recovery and he will lift you up as you pray and ask for his help and guidance.

“ I met Rick as one of his vendors at Quebecor. I worked with him for about 6 years, and he was always one of my favorite customers. He was so kind. And his face always lit up when he spoke about his family -- wife, kids and grandkids. He loved you very much, and I am sorry for your loss.
