“ I am saddened to learn of the passing of Rickey. We graduated from high school together and were friends during high school and for years afterward. Heck was a great guy who will be truly missed by his friends and family.

God Bless you during this time. You are in my prayers. 🙏🙏🙏🙏

“ I am saddened to hear of Rickey's passing, as we were neighbors during our high school days in Jackson. He was an icon to me and the kids on Fourth Street during those days as he enjoyed status as a school bus driver, a driver of great cars and his ability to play the drums. I returned to Jackson for a short time after finishing college and a married Rickey and family were living in his old family home by my parents and there were always stories of this great young couple.

I pray for comfort and strength for his family in these coming days as they deal with this loss. His presence will be missed, but my memories of Rickey always must include his allowing the not so cool guys next door - my brother and I - to participate in his adventures and life.
