“ *I'm so sorry to hear of Bob's passing; I have so many great memories of him. He was the best boss I ever had. We even went on travel and training together. Through thick and thin, he was a constant source of encouragement. When I was shakin' my head, he walked through it with me. We put many miles on those hallways at University. I even ended up wearing gray Hush Puppies like him. I missed him after I left Bio-Med but was blessed to see him and Connie on First Friday around 2007. I'm praying for each of you as you continue your grief journey. He was clearly well loved!!!*
