“*To Mary Ellen and the entire Crumley family we want to express our heartfelt sympathy to you in your loss of a man that was loved and respected by many. I remember numerous times spent with Robert planning and working on church and community projects, Sunday night after church restaurant trips and occasional Clemson football tailgates. Robert and Mary Ellen were always a joy to spend time with. Robert was a fine Christian man, a servant to his church and his community. We frequently talked about our families and I know for sure he loved his and was proud of each and every one. He will be missed but he will be remembered fondly, as a loving husband, father, grandfather, a great grand-dad, a great friend to many and a gracious Christian servant. May you feel God's love and grace through this difficult time. You are in our prayers. Dave and Donna Hooks*
