“ *So sorry for your loss Vivian. I haven't seen you are Red in 50 years. We had a lot of good memories. Any time I pass through Jackson , which is often I think of all the fond memories of the many friends from high school. Red and I played on the baseball, basketball and football teams. Red was small but had the heart of a lion. All my memories of Jackson has both you and Red in it. Again I know you are suffering now but remember what a wonderful person he was.*
