“ My fondest memory of Bob is from when I would come down to
Augusta for a few weeks in the summer as a kid and stay with Aunt
Betty and Uncle Howard. We would go to what I think was Ft.
Gordon recreation park, and Bob taught me how to water ski. He
was very patient and when I was finally able to get out of the water
on the ski's he didn't mind waiting in the water til I fell and we came
back to get him. A lot of fun times and memories.
