

Robert Bradley England

August 20, 1959 - September 17, 2023

Robert Bradley England passed from this world while surrounded by his loving family, at the age of 64, on the morning of 17 September 2023.

Robert was born on 20 August 1959 to Maris Jane (Hook) and Lee Edward England in Kewanee, Illinois. Robert was their fourth child. His siblings are Russell, Richard, Steven, Regina, and Reed.

Robert Bradley England married Tamara Alynn Miller on 13 April 1981. Together they have a daughter, Angelique Laraine England, and two grandchildren (Michael and Sylvia). This was his world and the light therein. Robert was humble, but he loved big with all his heart.

Robert was a journeyman that worked with his hands and appreciated a simpler way of life; however, his mind was that of a free-spirited thinker that gazed upwards at the stars. He loved nature, music, science, exploration, and space. His gentleness shined in his gathering of wildflowers for his daughter or in the moments he helped the smaller creatures of this world. Robert's legacy was his wisdom, his pursuit of knowledge, and his love for those closest to him.

Robert chose his song of remembrance to be "Faith of the Heart" and it captures the reflection of his life and his strength of spirit.

Robert Bradley England, you are dearly missed and loved, always. Your legacy ventures on.
