“ So many precious memories of our friend R.V. When the Gann family would gather in Wagon Wheel, Ga we always got a sweet invite for lunch and fellowship. Edna Gann, R.V.'s mother could serve the best fried chicken.

Although we are not family, we are considered family. Charles Gann, brother to R.V. is our brother-in-law. We love every member of this dear family. R.V. will stay in our hearts as a fine. upstanding man. He loved fishing and telling his fish stories to us.

He will be missed by all of us. Our prayers for his children and families. May God bless each one of you. Jerry and Clarice Lott

RV and Joyce were some of my first friends when I moved to Lenox in 1961. He and Jimmy were already friends, in fact he told me years later that Jimmy was his best friend. They were in a carpool to Moody until RV was transferred to Turkey. They also enjoyed fishing together. On one occasion they caught a big bass, left him in a bucket of water outside when they returned home. They came inside for a few minutes, and when they went back outside - a cat had devoured the fish. All that was left were the bones. To say they were not happy is an understatement! Our children played together (all but Donna who had not arrived at that time but we got to know her later) at our many get-together times. . We visited them years later in N Augusta. I have many good memories of your Dad. Robert, Jeff and Donna - may God bless you during this difficult time. Margaret Jones
