“ You are not "just a good ole boy", You are a murderer, and my thoughts and prayers are not with you at all. My prayers only go to my Sister and Niece that you killed. It would be different if you only killed yourself. I know where your journey is from here on out. Remember "just good ole boys", dont kill people.##imported-begin##charlayne##imported-end##

“ This is very hard for me to write, but I know that regardless of the situation, Bob has friends and family that are grieving right now. I want you all to know that you are in my prayers. Especially Kim. To me, this is the most tragic thing that could ever happen to a family. So, I want to let you know that my thoughts are with you, as they are with my own family.##imported-begin##Marissa (Alecia's Neice/Jade's Cousin)##imported-end##

“ *Mr. Bob is an amazing man. He always made me smile, and always had a way of putting me in the best mood ever. I will NEVER EVER forget him. He was so beautiful inside and out, and i know that God will make sure that he is taken care of. 2 Mr Bob: Hey Handsome, (i always loved callin you that and seein that big smile on your face), i miss you so much! I just want to let you know that I am going to do everything in my power to take care of Kimmie, Steph, and Bob-o for you. They are amazing kids, and I know you had so much to do with that, you should be so proud. Our memories that we shared, you being there every step of the way as we grew up, the laughter, the joy,... all of these things will forever be in my heart, and I know we will see you again##imported-begin##Danielle Kelley##imported-end##*

“ To the Herring Family,  
I am very sorry to here of your loss, especially of someone so young and well spoken of, as the entries here show. I lost my Grandmother this year. I found solice in 2 Cor 1:3 where it calls God the "God of all comfort". A brochure called "When Someone You Love Dies" helped me greatly. I would be glad to send you one if you wish, just let me know. millard at gforcecable dot com. Tim##imported-begin##Tim Millard##imported-end##
