“ *I have to say, My name isnt Kristy Mcloud and I am not from Texas. I am Neil Mannings daughter Kristina Leigh Wilson from S.C. and Daughter of Deborah Roberts. i am just now finding out that my father died. A year Later. And its not fair to find out this way. I am writing this on the grace of God, that someone will read this and try to contact me so i can just find out what happend and why certain family members put my name and where i live in the paper wrong knowing they knew where my mother lived and could have contacted me. I lived in Iowa and moved back to S.C. on Dec 29th, of 2010. i kept in contact with my dad but wanted to surprise him and visit him when i got settled in. I wanted him to meet his Granddaughter. But now my heart hurts with this being kept from me and my family. So if anyone reads this please email me at kwilson@eriscapital.com.*
