“ *Melinda and family,*

My condolences to you, I'm very sorry to learn of Bob's passing. I hope you are able to have a fitting tribute when possible. I have often thought of Bob and the lessons he taught. I will remember fondly the time we spent together when he served as a business coach for me. Bob always challenged me and made me squirm as I had to look hard at myself and the business in order to accomplish our goals, but he did it in such a thoughtful and caring manner. Bob was one of a kind. My prayers are with you.

*Best,
