“ Rob and I were together for the better part of the last 8 years, and he was the love of my life. His family loves me unconditionally, which is very hard to find. I am extremely thankful that his passing was quick and he didn't suffer. I love you Kay, Mary, Jean, Cathy and Sally, Perry and Todd, and all of your children. That won't change just because Rob has gone home and is now with Paul in heaven. Thank you all for accepting Destiny and me into your family. Rob, I will love you forever-Jeanie

Ann, I didn't mean to leave you out. :-) I love you too. Kay, you raised a phenomenal son. I wanted to add that Rob loved me unconditionally and took care of me like I was a queen, much more than I deserved sometimes. We had planned on growing old together, and I am convinced that we would have done so. Our separation was supposed to be temporary, but God had other plans. We'll be together again. All of us will have the ultimate blessing of worshiping Christ together for eternity. Love you all.

Thinking of the Roggenkamp family today. Rob was such big part of my years at Georgia Tech. Kind, smart, easy-going, happy. My roommate and friend, I'll miss you.

My thoughts and prayers are with you Kay, Mary, Kathy, Jean, and Sally. I will always remember Rob as the little brother who tagged along sometimes when Sally & I played in the neighborhood. I remember how happy he was to be our 'ball boy' who retrieved tennis balls from the woods for us - just thrilled to be included in our play. He was a quiet, sweet, smart little boy. I grieve with you all in your loss.

Dear Kay and family, I was stunned when I saw a note on facebook regarding Rob's passing. I just had a conversation with him in Nov. when we were at St. Barts for the bazaar. May your memories bring you peace and joy as you grieve. I especially appreciate Rob's efforts to reach out to our David. It blessed me to know he remembered David as a child.
