“ *Marsha,*  
*Don and I will never forget our visits with you and Bob at the beach. It was always the highlight of or trip. Bob was a wonderful and kind person who was a lot of fun to be with. He will be waiting for us on the beaches in heaven. Hang on the wonderful memories the two of you created over the years. We are thankful you have Holly, Stacey and the boys so close. You and the rest of the family will be in our prayers in the days ahead. We love you!*

“ I am very sorry to hear of you loss. I am a graduate of Truett-McConnell College along with Ron Gantt and Ed Brent and Ted Holley. Bob was just ahead of me when he graduated and I only got to know him at the Blue Willow Inn when we got together for our little "reunion" and he was a hoot. I may not have known him for very long but we had a lot in common being TMC graduates and all. I don't think any of us will ever run out of stories about out time there. I know I missed a lot not having known him there. Again, I'm sorry for your loss but I know we all will have another reunion one day and then we can tell some more of our stories from "school" and then we will have more time for that. Who knows...we might even get around to graduation whatever that may be. I am praying for you all and pray that God's strength will hold you all up to be an example to others.
