“ *Hi My Name is Lisa mathes. Mr Walters was a dermatology patient of mine. I just loved him, we shared the same birthday and had great talks when he came to his appointments. I will miss him and always remember Him*

“ *Both my wife Bev and I have fond memories of of summer of 2011 when spent the summer working at Ridge Haven when Bob and Joan lived there. We lived with them for several weeks as their guests and enjoyed their friendship. I never forget on one occasion we went to nearby Chimney Rock and the elevator was out of order and we proceeded to climb the 4 stories of stairs to the top. I told Bob and Joan that they were my heroes and role models. Bob was always the consummate gentleman demonstrating love and respect for his beloved Joan by opening the car door for her. We will miss him but will never forget his kindness and love for his family and friends.*
