Bob and I always enjoyed talking football rivalries between NC State and Florida State. For a while I was on top, but after NC State hired Chuck Amato (former FSU coach) NC State state started eating our lunch which made Bob very happy! I admired the emphasis that Bob placed on scripture memorization in his Sunday School department. He will be missed. With sympathy, Gene McCarthy

*My three children learning the books of the Bible is the thing that sticks in my mind when I think of Bob. That is a great legacy to leave behind when you think of how many children were affected in this way.
