“ To both the Moore and Lambert family I just want yall to know that my thoughts and prayers are with you. I can not imagine what yall are going through. This has been such hard times for myself dealing with the loss of both Nick and Robbie. Brittany I hope that you know how much your family meant to me and matt. Yall were not only our neighbors but Nick had become Matt's closest friend as well as mine. Nick, you, Little nick and Robbie were very special to us and it devestates us that we no longer have nick and robbie here with us. Not a day goes by that we don't think or miss the two of them. The peace that I get when I think about it is that Nick is there with Robbie. They are not alone. They are in heaven together looking down on all of us. I know we will see them one day and I take comfort in that to deal with the pain of loosing them. My heart goes out to both families and know that the Reese family is here for either the Moore or Lambert family. Give our love to Nicholas and if Emma, Scott, Brittany or any of the family needs us please let us know. Brittany I love you and if you need anything don't hesitate to call me.###imported-begin##Tiffany Reese###imported-end##

“ You are all in my thoughts and prayers also. This deeply saddens me, and my family. Know that we are here for you and we love you all so much. Precious little Robbie is right there with his daddy now... Even though it is hard for us, how lucky for them.
