“ Mrs. Rackliffe,

I was one of Bob's shooting buddies. I don't think I ever had the pleasure of meeting you though. Bob will be deeply missed on the range. I enjoyed his friendship and humor. I was the one that used to bring Bob boxes of Gun Magazines. He seemed to enjoy them. My prayers will be with you and your family

Sincerely

“ For the past year and a half I have had the pleasure of seeing Bob on an almost weekly basis at various shooting competitions. Bob had come close to the edge before and, as a result, had a deep appreciation for life and enjoyed every minute of it. His outlook and attitude were contagious and he was a joy to be around. I am proud and thankful to have had him as a friend and role model for both me and my 9 year old son, whom Bob also befriended.

One of the true measures of a man is the mark he makes on others. Bob has made a very definite and positive impression on many of us and, as such, will always be with us. Personally, I will think of Bob before each competition that I have the pleasure of attending, just like Bob. In his honor, I will try to crack at least one joke, too!###imported-begin##Michael Nyland###imported-end##
