“ I met bobby when i moved to camden in 1966 . I was 16 at the time and bobby was probably 20 or so years old . he had a roofing business and we kids would take bundles of shingles up on the roof for him for seven cents a bundle . we would work all day and stay out half the night . once bobby tumbled out the back of a pickup truck going down highway number 1 . I tryed to grab him but he was too big for me to pull up so he handed me his beer before he fell . we didn"t spill a drop . Bobby was always a kind and fun loving young man with a big heart . What more could anyone ask of their friends than that .##imported-begin##keith gunter ##imported-end##

“ *When the enemy death strikes it causes much grief & sorrow even when we have faith.*

Jesus raised his friend Lazarus back to life on earth.

*This guarantees a global resurrection on a paradise earth soon.
(Acts 24:15; Isa. 33:24; 25:8)*

Much sympathy to your dear family at this sad time.##imported-begin##Mr & Mrs. Horst Rosenthal##imported-end##
