“ Dear Smith Family: My heart goes out to all of you in this time of grief. Having you guys as my across the street neighbors was an integral part of my younger days and I always know that ya'll were there for us Smiths if needed. Bob Smith always had a pleasant smile and heartfelt handshake and he truly seemed interested in what myself, Keith, and Brooks were up to. Doris - may God help comfort your broken heart. I can't imagine losing someone after so many years together. Robert, Richard, and families - I also pray for your strength in these upcoming days. I know you will shed many tears over this and I pray the Holy Spirit will provide comfort in knowing that Bob is in a place of unexplainable joy. I will keep you all in my prayers as this loss is no doubt painful. Yours in Christ -

“ Rob, Heidi and I are saddened to here about the loss of your Father. You and Shelia have proven that you are strong people and GOD will get you through this. We can always try to prepare for that day when we know that a love one is going to leave us, But no matter how long we prepare, it still hurts bad. Rob just be glad you had your dad as long as you did. It does not help the hurt but you still have the memories, and they will always be with you. I know I miss my parents but especially my Dad. I will say he raised his son well and in todays world that means a lot.  
Rob if there is anything you need please let Heidi and my self know. It does not help your grief but it is a good feeling that you have people who care about you.  
Heidi and I will keep you and your family in our prayers. I will also put your family on the prayer list at church. Rob just remember GOD can and will heal all that asks him to. God bless you and your family.  
Your work friend and personal friend
