“ *To my favorite Uncle. We had lots of good times, cruises, Biloxi trip, golfing with you and Pap and getting in trouble with Mom for our shenanigans and just lots of laughter. I will miss you but I know you are with Pap and Grandma, drinking a beer, playing games and creating the "perfect" Christmas tree.*

I love you

“ Bob,
I cannot believe that you won't be a phone call away. You were my rock throughout my lifetime and I will miss you so much. I am so grateful that you found Terri when you did. You and her were the perfect match. You stayed positive and fought to the end and I know it was very difficult. I love you and am thankful that you now rest in eternal peace.##imported-begin##Mickie Gelestor##imported-end##

“ It is with great sorrow and loss that we acknowledge the passing of Bob. He was a man who brought a luxerious calm to all he met and his memory will be one of absolution with a solemn smile. He brought his wife, Terri, companionship and love. He was her partner in all things and made her complete and still does today. He leaves us, his step daughter's family, with a missing piece in ourselves as we go on. He also leaves us with a fullness born of knowing him and sharing the years with him as his journey comes to an end. We love him as family and weep for our loss now that he is gone from us. He will, however, always be close in our hearts.

Thank you, Bob, for being with us and sharing our lives. You have a daughter, Michele, a son, Michael, and two wonderful grandchildren, Aleczander and Zoeyanne, who love you very much.##imported-begin##Michael De Capria##imported-end##
