“ Peggy, God will comfort you and your family in the days ahead. I know Robert will be missed greatly. So many years have passed but my thoughts of you and Robert started with church, riding the bus together, double-dating, being in your wedding, and class reunions. You will always have a special place in my heart. God bless you and know that so many are praying for you.###imported-begin##MaryRuth Blackstock###imported-end##

“ Peggy,

I was so sorry to read of Robert's death. I know you must be hurting beyond belief right now, but you had so many good years and so many wonderful memories with him - starting back in high school. You two had a special bond and shared a special love. Hold on to your memories and let the love and support of your many friends and your family and the love of God help comfort you through this most difficult time. My thoughts and prayers are with you and your family. In deepest sympathy, Mary Ellen Sartori###imported-begin##Mary Ellen (Burriss) Sartori###imported-end##
