You were so much fun and I loved it when you would call me and tell me all about what you did and all the friends you made in Mexico. You always said Mexico was the closest place to Heaven but now you can experience the real thing! I will miss you tremendously! Love, Janet##imported-begin##Janet at Star Travel##imported-end##*

“ I feel blessed to have known such a wonderful and kind person. We worked together at MCG for years and made a lot of great memories there. I still laugh about all the times he begged me to go to Cancun with him and him making me enter that silly house contest every year on HGTV. Thankfully I still have the beautiful bracelets that he bought on one Cancun trip and I will think of him everytime I wear them. Thanks for letting me get to know you Dr. Bob. Until we meet again...

“ Bob,

I have known you for my entire life. You have always been there when I needed advice on different things and of course always eager to share your thoughts. You were always a wealth of knowledge and you are missed. It will certainly be different without you here in the physical sense but you will always be with me in my heart.

“ I keep remembering different stories, words of wisdom, rants, and humor from Dr. Bob. I'm thankful to have known him well enough to have these memories. I always heard Dr. Bob speak well of me anytime he had the chance. He was a good person who would do whatever he could for people. I thank him for that, and think that's something any of us who have had him in our lives can take away and continue with those around us. Thank you for everything, Dr. Bob. I truly appreciate it.##imported-begin##Matt Ames##imported-end##

“ What a shock this morning when I tuned into the Eagle via the internet and saw that Bob had left us. Bob & I went through school together, and he kept those school days enjoyable with his humor. Bob also enjoyed the c.b. radio as my family did, and we felt like he was part of the family. Bob brought such joy to everyone, even when he wasn't feeling his best. I haven't been in touch with Bob for the last couple of years since I'm up here in Vermont. Bob, my dear friend, You will certainly be missed..... No more feeling bad, or pain. R.I.P. My Dear Friend.##imported-begin##Verna White##imported-end##

“ Bob and I go all the way back to the 70's, when he was working at Tompkin's Music. I still use the Headphones I bought from him way back then. We were re-acquainted when Sunny 105 became a part of the WBBQ Family, and have worked together many many times since then on Remotes and other Station Functions. He was a great Guy, a true Gentle-man. I will miss his smile, his wittiness, and his grumpiness when something got out of place in the Van! Rest in Peace Bob.
