“ Losing my "big" brother is a great loss. Bob was always there for me and wanted me to have a happy life. Bob always worked hard to make a good life for his family and loved guessing song titles and out smarting everyone on Jeopardy. Bob really liked my chocolate pie and I made him one six weeks before his passing. He had a jolly soul and his earthly presence is now at peace.##imported-begin##Shirley Day McKiel##imported-end##
