“ Rob, Cheri and family,

We are very sorry to hear about the loss of Rob's father. We know you were greatly influenced by his affection for life, God and family.

All of Kim and my parents are still alive and thankfully near their expected mortality. Therefore, we have yet to experience the feeling of loss, love, growing and sorrow your family must be feeling at his time. We are fortunate your quality of life has touched our lives. Love, Kim and Rhett.##imported-begin##Rhett and Kim Sinclair##imported-end##

“ *When I first started with Air Liquide in 1973 in Atlanta I worked for Robin. He was a great person as well as a fun boss. At that time we did Accounts Receivable by hand and each month we had a devil at closing. I remember one month we looked and looked to find an error to balance with the bank balance. At 11:00 we were all so tired, Robin insisted we all go home and he stayed until about 3am to find the error and get us balanced.*

He was a wonderful man and I know his family will miss him a great deal.
