“ I just don't know how to respond to this news of Roddy. I knew that he had been sick but I didn't know how sick. Roddy was such a good natured person. I know that all of his family and friends will surely miss him. I grew up with all of these brothers and even though our paths don't cross as much as they used too. You couldn't find any better friends than the Godwin brothers. R I P .

The Godwin boys were very special to my dad, who was their mother's sibling. He used to brag on those boys all of the time. I was shocked and sad to hear about Roddy. Such a nice guy when I was around him. RIP Roddy.

To Stan and Godwin family: I'm so sorry to hear this news regarding Roddy. He was a gentleman and a man who never meet a stranger. Although we were never close friends I will always remember him for his love of life and compassion for others. In fact, those same virtues exist within the entire family. Roddy has left this world better than he found it and given us all a high bar to look and live up too! He lives on in all that knew him. See ya on the first tee old pal. God bless, Wp
