“ Ronnie we have been friends for a long time, you know that you are my brother from another mother. Whenever I saw you, you always had a big hug and a smile. No matter where Loretta and I were you always came to hangout with us. You wore many hats, all the different positions that you had. Not only were you a husband, father, son, brother, nephew, uncle, cousin and friend. Ronnie you were a model, a counselor, a party machine. You loved God and your family without question. You never met a stranger and if you could help someone you always did just that, I will miss seeing you until we meet again on the other side. We all love you but God loves you best.
