“ *We were friends of Ron and Nancys in Savannah with the Air Guard. We made a trip together to Nassau in a single engine plane when we both had small children. What a fun time we had. Our last time to be with your parents was in Miami after that we lost contact. What a shock to see in the August paper about Ron's death and that Nancy had died earlier. Our deepest sympathy to each of you. We would love to hear more about Ron and Nancy. Our address is 10 Evergreen Drive, Newnan, Ga. 30263.##imported-begin##jane and Bill Berry##imported-end##*

“ *I played golf with Ron at woodside and Palmetto. I am unable to attend the visitation but wanted to offer my sympathy to the family. Ron was a fine man and I enjoyed our time together. I will always remember how much he enjoyed hitting his tee shot and how he seldom seemed please with his shot, even though it soared many yards(actualy tens of yards) ahead of where my ball lie.*

He had a fine, dry sense of humor and was always a gentleman.##imported-begin##George Krist##imported-end##
