“ My condolences go out to the family and friends of Ronnie. I considered Ronnie a friend and Mentor. His work ethic and the care he showed those around him was unique in this modern world. He had a passion for his work, his customers, and the automotive industry. I truly enjoyed our talks about life. His insight always lifted my spirits when I needed it most. He would make it a point to tell me that I was a "good man". I pray that I can be half the man Ronnie was and live up to the way Ronnie thought of me. Ronnie always told me he loved me at the end of a conversation. I will cherish his guidance and support the rest of my life. I will always consider Ronnie a GREAT man. I Love you too Ronnie, and I will see you again in the kingdom of heaven. God Bless.

With my family's warmest regards,

Jay said it just as I would have said it. Ronnie was the hardest working, most caring person I have ever had the privildge to work with. He was..... Old School..... in the best sense of the words. There aren't many left on this world today that saw the world the way Ronnie saw it. I will always remember him saying " he's/your a good boy." "You work too hard Frank" His love and freindship was truly unconditional. All who came in contact with him knew in short order he was serious and passionate about his work and his customers, his family and feinds. I marveled at how hard he worked and how much he cared. I always told him " I hope I am as engaed in life as much as you are.....at 60-65-70 yrs old My regret is that I hadn't spoken to him in some time.

My heart goes out to Ronnie's Family and friends. I know he will be missed very much by all. May you find the peace - that Ronnie has found in his passing.
