“ *I offer my sincere condolences to the Siegler family and my friend Ronnie. I had the privilege to work with Ronnie at Bellsouth/AT&T for several years. Although I was called the boss, it was Ronnie that counsel me and kept my team moral and professionalism intact. He was extremely supportive and very well loved in our group. He was kind, funny and smart, a joy to work with. Him and I often talked about our shared interests and how raising our young sons was so similar even though we had different backgrounds and experiences. I loved my friend and may his memories be a blessing*

“ Sending my love and prayers to Jonee', family and friends. Ronnie was a unique character and a dear friend! When visiting him I would go, in hand, with a few jokes to make him chuckle and ease his pain for a moment. I would see the sparkle in his eyes as he grinned. He was always gracious, caring, and quick to help others in need. Ronnie was a good man. He will be missed by so many. Ronnie catch all the keepers in the creek!
