We are sorry to hear of Ronnie's passing. Ronnie and his family were good friends to my family. He bought my VW in 1980 and breathed magic into it, he put a lot more miles than I did on it, we get a good chuckle out of it.

*Ronnie and I went to school together. I recall the times he drove the school bus during high school years. Even though I have not seen Ronnie in many years, I have kept up with him through my sister, Louise Wood. Prayers to his family.

My family and I have gone to church with Ronnie and Linda for many years. Ronnie has always been a gentleman and just a good guy. Linda truly stood by her man during his illness and his last days. I, personally was impressed with his will to attend church, even though he was very sick. Most of the time he was smiling and laughing about something. I admire his witness for our Lord Jesus Christ, he made it very clear about his salvation and the fact that he knew he would go to Heaven when he died.

We will miss him a great deal at church. Our thoughts and prayers go out to Linda, Brian and the entire family.

*Love in Christ,
