“ Sending prayers for all the family members. The last time Bobby and I visited with Rosalie at her house she talked about all her children, their spouses and her grandchildren. Oh how proud she was of each of you and oh how much she loved all of you. Her heart was broken when Larry passed away but she said she knew she would be with him in Heaven one day. That day came sooner than we expected but now she is pain free and not having to go back to all those doctors appointments. Oh how she dreaded those appointments. Now she and Larry are together again and there are no tears in Heaven ❤️🙏❤️.

“ Daren, Shawna, Shannon and Stacey,

I am so sad to hear of your Mom's passing. This world has lost a wonderful lady but heaven has gained an angel. She was always so nice and sweet to me and made me feel like I was a part of the Baynham family. There were so many people that loved her and will miss her. I know every time I saw her she would give me the biggest hug. I will certainly miss that. I know right now your whole family is very sad, but be thankful you had a mother as amazing as she was. It's going to be tough but as time goes by when you think of Ms. Rosalie, you will only smile and think of the great times you had with her. She and your Dad are reunited and looking down and smiling, knowing what a great job they did raising such a wonderful family. Please know that you are in my thoughts and prayers. Much love to you all.
