“ Carol and family, your mom was always such a joyful person and the kids she taught always had good things to say about her. I know that you have been a real caregiver to her for the past year, even longer, and that we give up our lives to care for them when they need us. GOD has given you strength when you didn't think you could go another minute and your mom will have carried those cherished memories with her when she went to be with the LORD. She will be surrounded by those who went before her with open arms. You look so much like your mom and you have a lot of good life ahead of you and knowing that you did what you should have done without complaining. When I talked with you, you were tired but you still had the desire to be there with her. YOU ARE TRULY A WONDERFUL DAUGHTER!!!

“ My wonderful memories of Mrs. Barnett cover so many years and events they are too numerous to mention. The one thing I can share with each of you is that from a little boy to adulthood, Mrs. Barnett always showed me love as if I was one of her own. She loved you all so much and know that the moment she departed this life there was great rejoicing in heaven as another soul has come home.
